

Co-Curricular Day
Dateline: 24 July 2009

One of the most colourful and the liveliest events in the school calendar is definitely the Co-curricular Day. This annual event is an effective platform for students to develop their leadership, entrepreneurship and interpersonal communication skills.

Today's event was launched by our guest-of-honour the PIBG Chairman Mr Chang Kim Loong, AMN. Also present were PIBG members, parents and former Desarians. There were Taekwando, Footdrill, Yo-Yo demonstrations and Choral Speaking presentation.

After the opening ceremony, students and teachers thronged the school compound and canteen hunting for their favourite food and games. All the Clubs, Societies and Uniformed Bodies were involved in setting up food or game stalls. The school canteen had been transformed into a bustling bazaar and the wide variety of food left everyone spoilt for choice.

The enterprising teachers and students in action!

There were games of all imaginable kinds to keep everyone challenged and thrilled. The most exciting game was once again The Dunkin Machine!

Congratulations to all who had successfully raised a good amount of money for their clubs, societies or uniformed bodies.
